SUMMARY

Collaborative video producer and photographer with 6+ years of professional experience in filming, editing, directing, scripting, and audio. Organized, self-driven, and quick to adapt in fast-paced environments. Seeking opportunities in Metro Detroit.

EXPERIENCE

Videographer & Multimedia Designer | December 2020 - present

Brightz, Ltd. in **Ottawa Lake, MI**

- Utilize production toolbelt to create customer-facing video content from end to end, building an entire content library
- Fill roles of director and producer on set; working directly with talent and vendors for consistently smooth productions
- Use organizational skills to manage equipment and digital asset archive, streamlining company-wide access
- Employ graphic abilities to assist 3-person graphic design team, lightening their workload and improving creative output
- Build marketing skills by strategizing with social media and Amazon associates to ensure brand consistency across channels
- Extend time-management skills beyond my department, coordinating projects and improving company-wide output

Vehicle Photographer & Field Service Representative | May - December 2020

Auto Uplink Tech in **Ann Arbor, MI**

- Showcased professional independence by servicing up to 5 car dealerships daily, consistently beating company records
- Practiced reliability when managing relationships with clients and satisfying each dealership's unique standards

Telecommunications and Marketing Intern | January - May 2019

The City of Holland in **Holland, MI**

- Honed video production skills by shooting/editing features for city events, boosting community awareness and action
- Exercised tactful process of polishing and publishing content for popular public-facing social media channels

Resident Photographer & Videographer | April - August 2017-2019

Hope Summer Repertory Theatre in **Holland, MI**

- Managed simultaneous projects with quick turnaround; photos appeared in *Broadway World* and *Revue West Michigan*
- Collaborated with the Artistic Director to produce video for social media, elevating branding and boosting following

Freelance Videography and Photography | November 2016 - present

- Produce a variety of video content including interviews, b-roll, events, product demos, and more to elevate local brands
- Maintain skills by photographing headshots, products, events, weddings, real estate, landscape, wildlife, and more.

SKILLS

- Certified drone pilot, FAA part 107
- Adobe Creative Suite (Premiere, Photoshop, Lightroom, After Effects, Illustrator, Acrobat), Final Cut Pro, Davinci Resolve
- Cameras: Sony, Canon, Go Pro, Blackmagic PCC, RED Epic Dragon
- Scriptwriting, motion graphics, color grading, audio recording and editing, studio lighting, podcasting
- Google Suite, Microsoft Office Suite, Asana, Airtable, Canva, Digital Asset Management systems

EDUCATION

Hope College, Holland, MI: Bachelor of Arts: Media Production | **LA Film Studies Center:** Cinematography

HONORS AND AWARDS

First-place "Long Form Fiction" in Michigan Emmy Chapter (2020); First-place documentary in Michigan Association of Broadcasting Student Awards (2019); First Place-Hope College Screenplay Competition (2018)
